

**Welcome To Coral Sober Living:**

Welcome! From the moment you join our facility, our main goal has been to help you achieve and maintain long-term sobriety. We understand that overcoming addiction is a challenging journey, and we are here to support you every step of the way. We have dedicated our resources and expertise to give you the tools and environment needed for your recovery. This includes providing access to therapy, counseling, group support meetings, and educational resources, all designed to promote healing and growth. Our program is built on the belief that a structured sober living environment is key to long-term recovery. By creating a stable, predictable, and supportive setting, we aim to minimize triggers and temptations that could jeopardize your sobriety.

We warmly invite you to join a community where accountability, mutual respect, and a deep commitment to personal growth are our core values. Here, you'll find a network of peers who understand what you're going through and are committed to supporting each other's recovery. We encourage open communication, honesty, and a willingness to learn and grow together. These guidelines are here to ensure a safe, supportive, and successful journey for every resident. By following these rules, we can maintain an environment where everyone feels secure, respected, and empowered to focus on their recovery.

### **Confidentiality Policy and Procedure**

#### **CONFIDENTIALITY STATEMENT:**

Coral Sober Living will comply with all applicable laws and regulations regarding your confidential information. In the Intake paperwork you have signed, you provided the necessary releases, and we will honor those documented agreements.

#### **Confidentiality Policy:**

Coral Sober Living collects only necessary operational information, kept secure and accessible only to staff, employees, house managers, and CRRAs, who are responsible for its protection. This information is stored securely in the CRRA's office and retained for one year after a resident leaves, after which it is destroyed via shredding or electronic deletion.

Coral Sober Living is dedicated to supporting individuals' sobriety. Earning client and public trust is key, and staff are sensitive to the stigma around substance abuse services.

Resident Initials \_\_\_\_\_

Confidentiality means resident discussions, records, and support are handled with respect for privacy. In case of a forced discharge, emergency contacts are notified. Otherwise, residents can restrict information disclosure upon intake unless they provide written consent. Clients should respect each other's privacy; what's seen and heard within the houses stays within the community. Contact a house manager for confidentiality questions. To share information with a third party, complete a recovery residence permission to contact form, available in each house.

We may break confidentiality in the following situations:

- To obey a court order, court-ordered warrant, subpoena, summons issued by a judicial officer, or a grand jury subpoena.
- To identify or find a suspect, fugitive, material witness, or missing person.
- To answer a request for information about a crime victim, if the victim agrees.
- To report child abuse or neglect.
- To report adult abuse, neglect, or domestic violence.
- To report to law enforcement when legally required, such as for gunshot or stab wounds.
- To report someone's death.
- To report what we believe in good faith to be evidence of a crime.
- To report criminal activity when responding to an off-site medical emergency.
- For specific governmental law enforcement purposes.

Resident Initials \_\_\_\_\_

- For a medical emergency.

### **Release of Information (ROI) Form**

Emergency Contact:

Resident Signature:

Date:

Coral Sober Living requires all residents to designate a family member, friend, or associate as an emergency contact on their Release of Information (ROI) form before admission. This contact will be notified in case of a relapse, medical emergency, injury, death, or discharge. Providing an emergency contact is mandatory for admission. An ROI is also required for anyone other than the resident who will be paying program fees.

Coral Sober Living strongly encourages residents receiving treatment or aftercare from an outside provider to sign a written authorization form. This will allow us to communicate effectively with the facility and its staff, helping us better serve you during your stay.

We recommend that all residents include key members of their support network, such as family members or 12-step sponsors, on this authorization form. Sponsors will be contacted periodically to confirm that residents are actively participating in a 12-step program. We will only request confirmation of sponsorship and will not ask for updates on the residents' recovery.

I authorize Coral Sober Living to share information about my condition and/or presence at the facility with the individuals listed below. I understand that I can revoke this consent in writing at any time, unless I have left Coral Sober Living without notice, experienced a relapse, or committed a crime.

### **Program Format**

Coral Sober Living is a transitional sober living residence for individuals recovering from alcohol and substance abuse. Residents are subject to random substance testing at any time during their stay. The use or possession of drugs may result in immediate expulsion. All policies and procedures outlined in this contract, along with any applicable amendments, remain in effect throughout a resident's stay unless stated otherwise in this document. Violating any policy or procedure may lead to disciplinary actions, including fines, fees, house probation or restriction, and possible expulsion.

Coral Sober Living follows a 12-step recovery program, and it is required that residents engage with a 12-step fellowship during their residency.

The facility employs a Phase System for residents, where specific expectations and goals are clearly defined. By achieving or making progress toward these goals, each resident can advance to the next phase, which includes new privileges and objectives.

Conversely, failure to comply with the rules and regulations may lead to a resident being moved back to a previous phase.

Residents will not progress to the next phase until they meet the expected goals of their current phase.

### **PHASE 1**

Each resident begins at Phase 1, regardless of previously achieved recovery goals, such as step work, involvement in treatment, job, schooling, etc.

There is a minimum 30-day Phase-1 introductory period upon entering the recovery residence.

Resident's expectations that should be accomplished during Phase-1 prior to phasing up to Phase-2 are:

1. Abide by the recovery residence published House Rules.
2. Abide by a 10:00 pm curfew on weekdays and weekends.

Resident Initials \_\_\_\_\_

3. Attend a minimum of four 12-step meetings per week with the other residents.
4. Obtain or maintain a full-time schedule of employment, school, treatment, or volunteer/community service work. (40 hours a week) Treatment and work can be combined
5. Pay rent regularly and in a timely manner.
6. Attend scheduled house meetings and recovery residence sponsored events.
7. Have a 12-Step sponsor and be actively working the 12-steps of recovery in the fellowship of your choice.
8. Join a homegroup.
9. Meet with Sponsor 1x Per Week.

Residents that do not meet the criteria for phase 1 by the end of the 30 days will remain at a 10:00 PM curfew (weekdays and weekends). They will not be eligible for a later curfew until they come into compliance with phase one. If residents do not attend required meetings for the week they will be placed on a 9 pm curfew.

## **PHASE 2**

Once a resident has met the criteria outlined in Phase 1 and has been a resident for more than 30 days, they may advance to Phase 2. Residents in this phase are expected to meet the same criteria as Phase 1, with the following additional expectations and privileges:

- Residents are now eligible for overnight passes with prior approval from CRRA.
- Curfew is extended to 11:00 pm Sunday through Thursday and 12:00 AM on Fridays and Saturdays.
- Residents are still required to attend four or more meetings a week with the other residents of Coral Sober Living.
- Actively participate in Home Groups and take on a service commitment.

## **Successful Completion**

A resident successfully completes the program once they transition to Phase 2, achieve their recovery goals, and maintain stability in their recovery. This stability allows them to support themselves independently, without relying on the sober living residence. The length of stay is determined by the resident, not the provider. A clear indicator that a person is ready to move on from the program is when they have completed the 12 steps and have guided someone else through the 12 steps.

## **Resident Weekly Schedule**

Resident Initials \_\_\_\_\_

All residents are required to be employed, volunteering, or attending school while living at Coral Sober Living. Those who are not engaged in any of these activities must leave the property from 9 a.m. to 2 p.m., Monday through Friday, to search for employment. Residents must also attend a minimum of four outside 12-step meetings each week. Attendance at all scheduled appointments is mandatory; failure to attend may result in discharge from the residence. If a resident is working, they must notify their house manager before attending any meetings and ensure that their program fees are paid. Failing to meet these requirements may lead to consequences, including earlier curfews, restrictions, or even termination from the residence. Residents are expected to return to the property by their designated curfew; failure to do so may result in dismissal from Coral Sober Living.

## **House Rules**

### **Zero Tolerance Rules**

1. Zero tolerance for drug or alcohol use and/or possession. Engaging in the manufacturing, possession, or distribution of illegal or prohibited substances, including drug paraphernalia, is strictly forbidden. Violations may result in immediate discharge; no refunds will be granted. This policy includes, but is not limited to, spice/marijuana vapor juice, kava, kratom, medications containing DXM, poppers, steroids, CBD products, and similar items.
2. Zero tolerance for theft (charges may be filed). Taking food from others without permission is also considered stealing. Tampering with locks and keys is prohibited.
3. Zero tolerance for destruction or vandalism (charges may be filed) of any other residents' property.  
Zero tolerance for sexual harassment or engaging in sexual behavior or language with any staff member or resident.
4. Zero tolerance for physical confrontations or altercations with staff or residents. No physical or verbal threats will be tolerated. Weapons are prohibited on the property or in residents' vehicles. Refer to the hazardous items section for more details.

### **General Rules**

All clients are required to adhere to all policies, procedures, and house rules. Residents at Coral Sober Living are given fair and equal opportunity to live here, regardless of age, race, sexual orientation, or religion. Compliance with these policies and procedures is essential to remain a resident of Coral Sober Living. Failure to follow the established rules and regulations may result in verbal and written warnings, revocation of privileges, and ultimately discharge from Coral Sober Living. There is a zero-tolerance policy regarding fraternizing with other clients.

Consequences for not following the rules may include verbal or written warnings, early curfew, fines for failing to complete chores, and possible discharge. Receiving two written warnings will result in discharge. In the event of a forced discharge from Coral

Resident Initials \_\_\_\_\_

Sober Living, the client will be removed from the facility immediately and provided with three references, depending on their situation. The client will have 24 hours to remove their belongings; otherwise, the items will be donated.

Listed below are two sets of rule categories:

### **Good Neighbor Policy and Procedure**

**Policy:** Coral Sober Living will conduct the residence in an appropriate manner respecting the neighbors and the neighborhood we operate in.

Concerns neighbors have can be addressed to:

- Residence Managers
- Staff
- Employees
- Administration and/or certified recovery residence administrator (CRRA)

**Procedure:** All residents, staff, employees, volunteers and visitors will be instructed to communicate neighbor concerns to the CRRA so they can be addressed. Neighbors can address their concerns with the CRRA personally or by phone. The CRRA name and phone number will be posted inside each residence. Each staff member and resident manager will be trained on this policy by the CRRA or designee. Residents are educated on this policy on admission in review of the residence guidelines. This policy is responsive and preemptive to neighbor's reasonable complaints regarding: smoking, loitering, parking, noise, lewd or offensive language, cleanliness of public space around the property and parking courtesy rules where street parking is scarce. The recovery resident within the residence guidelines outlines expectations that enable it to ensure

Resident Initials \_\_\_\_\_

these good neighbor practices are accomplished.

1. Residents will smoke in the rear or side of its properties. All cigarette butts are to be placed in a fireproof receptacle.
2. Residents will not make excessive noise.
3. Residents will not loiter around the front of the property.
4. Residents will keep the exterior of the home in good condition. Residents will not leave broken down vehicles, trash, or bulk material pile up in view of the property from the street. Residents will ensure the exterior of the home resembles a traditional family household.
5. Residents will park in front of Coral Sober Living's residences and not the neighbor's residences.
6. Residents are expected to act as good neighbors and greet neighbors in a friendly manner.
7. Residents will direct all neighbor grievances or complaints directly to the CRRA or Owner. Phone numbers for the Owner and CRRA will be placed in the front window of the manager's office. Residents are not to handle complaints from neighbors on their own.

#### **Hazardous Items and Search Policy and Procedures**

**Policy:** Coral Sober Living will conduct hazardous item searches (health and welfare searches) periodically to ensure compliance with house guidelines and community safety. Coral Sober Living will also inspect all incoming resident's persons and belongings with the resident's consent (.luding resident's vehicles) for any contraband we deem inappropriate for the Coral Sober Living Living community. If a resident fails to give consent to search said resident's property, then they will either not be admitted into the Coral Sober Living's community or discharged from Coral Sober Living's housing. Residents do not have to be present during the searching of their property. A resident's vehicle is also subject to search if suspicion is warranted.

**Procedure:** Coral Sober Living will search its housing and resident belongings for items not approved for the Coral Sober Living residence.

Items not approved but are not limited to:

Resident Initials \_\_\_\_\_

- Drugs
- Mind or mood altering substances
- Alcohol
- CBD products
- Kratom / Kava
- Fireworks
- Steroids
- ZaZa
- OTC medications containing alcohol .luding mouthwash
- Foods items with high alcohol content (cooking wines, vanilla extract, etc.)
- Cough Medicine
- Any medication containing DXM
- Drug Paraphernalia
- Weapons (Knives with blades under 4 .hes in length are approved) ● Clothes or materials depicting gang affiliation, drug use, or the glorification of drug use
- Poppers
- Prescription medications not approved by Coral Sober Living ● Prescription medications not properly stored in managers office when needed ● Prescription medications that are not labeled with the resident's name ● Anything Coral Sober Living deems to be inappropriate

Resident's property will be searched under the following conditions:

1. Randomly
2. Upon admission to Coral Sober Living
3. Suspicion of relapse
4. Information stating that the resident may possibly be engaging in illegal, suspicious, or dangerous activity.

Residents will be informed of prohibited items upon admission to Coral Sober Living. At that time, they will have the opportunity to disclose any items to the staff. Any drugs or alcohol will be disposed of, while all other prohibited items must either be thrown away or stored off the property during the resident's stay. Coral Sober Living will not hold prohibited items for residents. If a resident is found in possession of a prohibited item while staying with us, they risk reprimand or possible expulsion from Coral Sober Living community.

### **Medication Storage and Use Policy and Procedure**

Resident Initials \_\_\_\_\_

**Policy:** Here at Coral Sober Living, residents' mental and physical health are important to us. We encourage residents to seek assistance from doctors when needed. The mental and physical well-being of our residents is vital not only for their health but also for the safety and protection of the entire community. Many of our residents have previously engaged in drug-seeking behavior before joining Coral Sober Living. It is crucial for the well-being of our community that such behavior is discouraged here. If a resident needs to see a psychiatrist for mental health concerns or a doctor for physical health issues, Coral Sober Living will assist them as possible.

Coral Sober Living will implement practices to ensure the safe handling of medications by our residents. The goal of this policy is to minimize the risk of abuse and misuse of medications within our community.

**Procedure:**

- If a resident must go to the hospital or see a doctor, please inform Coral Sober Living staff. In the case of an emergency please contact 911 first and then reach out to Coral Sober Living when possible, to inform us of the situation.
- The resident must bring back all discharge paperwork and hand it to a member of Coral Sober Living. A copy will be placed in the resident's file.
- When a resident receives a new prescription from a doctor, they must inform Coral Sober Living staff immediately. A medication cannot be taken by a resident until it has first been approved by Coral Sober Living.
- Residents must inform staff of any changes in their prescriptions. Changes will be noted in the resident's file.
- Medications must be taken as prescribed and in line with the policies and procedures of Coral Sober Living.
  
- Medications (OTC and prescribed) must be stored in their original bottles, labeled, and kept out of sight with your personal belongings. Medications cannot be stored in common areas.
- Under no circumstance should medications be shared between residents regardless of if they are both prescribed the same medication.
- Residents that have been found to be selling medications will be immediately discharged and if warranted the proper authorities will be notified.
- Please do not discontinue medication without a doctor's orders.
- Please properly dispose of any unwanted medications.
- If a resident discharges/transfers/or abandons property Coral Sober Living will place and hold the residents medications in the manager's office for 10 days. If Coral Sober Living cannot reach the resident or their representative then Coral Sober Living will properly dispose of the resident's medications in accordance with DEA guidelines.

**PROHIBITED Medications:** Adderall (amphetamines) and similar medications (Vyvanse, Ritalin, Dexedrine, etc.), medical marijuana, MAT medications not listed in the MAT Storage section below, Xanax (benzodiazepines) and similar medications (Klonopin, Valium, Ativan, etc.), Neurontin (Lyrica, gabapentin, etc.), opiates (broad spectrum), over-the-counter medications containing DXM, diet pills, and any medications classified as narcotics by the FDA are prohibited. This list is not exhaustive; please consult a staff member at Coral Sober Living before taking any medications.

Medication counts will be conducted randomly and based on suspicion of medication abuse. If discrepancies are detected, the resident will meet with staff from Coral Sober Living to discuss the differences in the medication count. If it is determined that medication is being misused in any way, Coral Sober Living will classify this as a relapse, and the resident will be discharged.

If a resident consumes a mind-altering substance that is deemed not medically necessary—except in cases of severe bodily injury—they will be discharged from our residence. Coral Sober Living staff will decide what qualifies as “severe bodily injury” due to the need to maintain our abstinence-centered environment. If you believe you require a specific medication but the staff disagrees, you may choose to proceed as you see fit; however, you will no longer be permitted to reside at Coral Sober Living.

### **Medication-Assisted Treatment (MAT) Medication Storage and Use Policy and Procedure**

**Policy:** Coral Sober Living recognizes federally approved MAT programs as a viable treatment option for residents who suffer from opioid addiction. Coral Sober Living will make reasonable accommodations to allow residents to engage in a MAT program. FARR supports programming of federally approved Medical Assisted Recovery, such as, Medication Assisted Treatment.

**Procedure:** All potential MAT residents will be screened prior to entry to ensure they fit the criteria for admission. All MAT medication will be kept by client and stored in personal Safe/ Lockbox in clients personal space.

- Residents enrolled in a MAT program with a licensed physician will be treated the

Resident Initials \_\_\_\_\_

same and have the same privileges as non-MAT residents. The only differences will be listed in this policy to ensure medication is secure and taken properly.

- Coral Sober Living will not dispense medications. Residents will be given daily access to medications. Coral Sober Living will notate residents' medication count daily in a log.
- Coral Sober Living will house MAT residents with non-MAT residents.
- MAT residents are instructed to not inform non-MAT residents of MAT residents being on MAT.
- MAT residents may not exhibit noticeable physical signs of being on MAT medications.
- Any residents caught stockpiling MAT medications or abusing the medication in any way will be considered a relapse and would be disciplined under the recurrence of use policy and procedure.

### **Drug Testing and/or Toxicology Policy and Procedure**

**Policy:** All Coral Sober Living residents will be required to undergo periodical drug testing during their stay in our housing. Residents will be breathalyzed nightly as well.

**Procedure:** All UAs will be conducted using an instant 12-panel cup to determine whether a resident is abstaining from drugs and alcohol. Testing will occur at least once every two weeks and no more than twice a week for routine checks. Residents will have 60 minutes from the time they are notified of a UA to provide a specimen. If a resident's UA returns a positive result, the CRRA will be notified immediately. If the resident insists they have not used substances, they will be allowed to take a second UA, which must be completed within 90 minutes of the original test. If this second test is also positive, it will be considered the final determination regarding the resident's dismissal from Coral Sober Living. Residents suspected of being under the influence, as well as those who receive a positive result and dispute it, must remain with staff until they provide a negative specimen. If a resident refuses a UA or BA, that refusal will be treated as a positive result, and the resident will be discharged from the property, with one hour to vacate the premises.

Resident Initials \_\_\_\_\_

Coral Sober Living does not have the resources to conduct confirmation testing for any questionable positive results. The UA cup result and the investigation conducted by Coral Sober Living staff will serve as the final determination of how the positive result is viewed.

All UA results will be recorded in a general log that includes the resident's name, date, time, and results. This logbook will be maintained at the housing facility by the resident manager. Additionally, Coral Sober Living will cover the cost of the UA cups as part of the program fee agreement, excluding the \$20 UA fee for residents who go on pass.

### **Recurrence of Use Policy and Procedure**

**Policy:** Coral Sober Living has a zero-tolerance drug/alcohol abuse policy.

**Procedure:** Upon request, a resident will have one hour to provide a urine sample. If the resident is unable to give a sample, it will be considered a positive result. Residents who test positive in our community will not be allowed to remain in our housing until they complete a form of drug and alcohol treatment and receive medical clearance from a doctor. If a resident tests positive, Coral Sober Living has the responsibility to protect the community. The resident will be separated from the community and asked to gather their belongings in the presence of a Coral Sober Living employee. Staff will accompany the resident until they leave the property. If alternative housing arrangements—such as PHP, detox, sober living, or returning home—cannot be made, the resident will be taken to a safe location, such as a hospital or shelter. Residents who refuse a higher level of care will have one hour to vacate the premises and will receive a list of community resources and FARR-accredited properties in the area. Upon receiving positive test

Resident Initials \_\_\_\_\_

results, the resident's emergency contact will be notified. Depending on when the positive result is received, Coral Sober Living may place the resident in supervised isolation in the manager's unit until the next morning, when alternative housing arrangements can be made, provided they have received medical clearance from the hospital first.

It is the right of Coral Sober Living to determine whether a resident can return to our community after a positive drug or alcohol test. Many factors will influence this decision, including the following questions:

- Was the resident working a program of recovery prior to the relapse?
- Has the resident shown a pattern of relapse in their past?
- Has the resident accepted responsibility for their actions?
- Is the resident ready to accept consequences for their actions?
- Was the resident following all house rules prior to the relapse?
- Has the resident expressed the desire to stay sober?
- Is the resident opening to accepting suggestions moving forward? ● Does the resident understand that if they are brought back that they will be monitored more closely than prior to the relapse?
- Do the other residents support bringing back the resident.

If a resident is brought back into the community after relapsing, they should expect the following:

- Increased UAs and BAs
- Early Curfew
- Increased chore duties
- Required to attend 90 meetings in 90 days (one missed will result in expulsion from house)
- Loss of other privileges such as community events
- Increased monitoring from staff
- Etc.

### **Discharge Policy and Procedure**

**Policy:** To document and communicate the resident's readiness for discharge or need for transfer to another level of care. If the criteria apply to the existing or new problem(s), the resident should be discharged or transferred, as appropriate.

Resident Initials \_\_\_\_\_

**Procedure:** It is appropriate to transfer or discharge the resident from the present level of care at Coral Sober Living if the resident meets the following criteria:

- The resident's documented plans, goals, and objectives have been substantially met, and/or a safe, continuing care program can be arranged and deployed at an alternate level of care.
- The resident no longer meets admission criteria or meets criteria for a less or more intensive level of care.
- Consent for care is withdrawn and is determined that the resident has the capacity to make an informed decision and does not meet criteria for Coral Sober Living level of care.
- Support systems, which allow the resident to be maintained in a less restrictive structured environment, have been thoroughly explored and/or secured.
- The resident is not making progress toward Coral Sober Living goals and there is no reasonable expectation of progress at this level of care.
- Finally, the resident fails a UA/BA which determines they need a higher level of care.

Any resident expelled for reasons other than a successful discharge will not be allowed to return to the premises. They must seek shelter with a relative, stabilization respite, mission, shelter, hospital, or detox facility. All residents being discharged will receive information about community resources upon their exit.

Emergency contacts for residents will be notified in the event of any type of discharge.

Procedure for Residents to Pick Up Belongings (Abandonment, ASA, etc.):

Once expelled, personal belongings must be collected within ten days; otherwise, they will become the property of Coral Sober Living and may be donated to a local charity. Residents or their representatives must maintain contact with Coral Sober Living staff during this period. Failure to do so may result in the donation of their property. Any prepaid fees will be forfeited if the resident leaves without proper notification. Refunds for prepaid fees will be issued at the Owner's discretion.

Procedure for Residents Administratively Discharged:

Residents who are administratively discharged from Coral Sober Living will have one hour to vacate the property. A staff member will accompany the resident during this time. Residents will be informed that if they re-enter the property without permission, they will be considered trespassers and the proper authorities will be contacted.

Procedure for Residents Successfully Discharged:

Resident Initials \_\_\_\_\_

A resident is considered successfully discharged from the program once they have transitioned into phase 2, met their recovery goals, and demonstrated sufficient stability in their recovery to support themselves independently. The length of stay is determined by the resident, not the provider. Residents should inform Coral Sober Living Living at least one week before moving out. Upon departure, residents must thoroughly clean their rooms and leave them ready for the next resident. Those who successfully complete the program and leave the property in good condition will be introduced to the Coral Sober Living alumni program and will have their deposit returned if one was initially paid.

### **Emergency Policy and Procedure**

#### **Policy:**

The Emergency Policy for residents at Coral Sober Living outlines several critical procedures. Residents must report to staff immediately in any emergency situation, including opioid overdoses, fires, or threats. If an opioid overdose occurs, residents are trained to administer Narcan and perform CPR while waiting for emergency services to arrive

#### **Emergency Policy for Residents**

As a resident of Coral Sober Living, your safety and well-being are our top priorities. Here's what you need to know about emergency procedures:

**Immediate Reporting:** In any emergency, such as an opioid overdose or fire, you must report immediately to the staff. If you witness an overdose, administer Narcan if you are trained, and start CPR while waiting for emergency services.

**Evacuation Procedures:** Familiarize yourself with the marked escape routes. In case of a fire, evacuate calmly and ensure you inform staff that you are safe.

**Emergency Situation Protocols:** In the event of a bomb threat or any hostile situation, your priority should be to evacuate and call 911.

**Natural Disasters:** Stay informed about emergency alerts, especially during severe weather, and follow the communicated safety measures.

Resident Initials \_\_\_\_\_

Mental Health and Support: If you or someone else is in crisis, remember it's important to ensure you are not alone while waiting for help to arrive.

Participate in Drills: Engage in regular emergency drills and training to prepare for real situations.

Stay safe and always be aware of your environment. If you have any questions about these procedures, please talk to the staff. Together, we can create a safe environment for everyone.

For fire emergencies, residents must evacuate calmly and report their safety to the staff, following the established evacuation routes.

In case of a bomb threat or hostile situation, residents should also immediately contact 911 and evacuate.

The policy emphasizes the importance of preparation for natural disasters, such as hurricanes, where residents will be informed of storm watches and warnings, and necessary actions will be communicated accordingly.

Residents are expected to cooperate and stay informed about these policies to ensure their safety and that of others.

Coral Sober Living will inform all incoming staff members and residents about its emergency policies and procedures. Please contact 911 immediately in any emergency situation.

FARR Reporting: In the event of an overdose on or off the property, FARR must be informed via the form on their website within 24 hours of the incident. If emergency services are contacted for any reason and respond to any of the properties, FARR must also be notified within 24 hours through their website. If emergency services arrive at the properties for any other reason, FARR must be contacted within 24 hours through their website.

## Procedures:

### Opioid overdose

In the event of an opioid overdose please call 911 immediately. Narcan is located in each residence on the table in the living room. All new and current residents will be trained during their orientation on how to properly administer Narcan as well as the signs of an opioid overdose. After administering Narcan please perform CPR on the person if they are unresponsive until emergency services arrive. Please inform a Coral Sober Living staff member as soon as possible in the event of an overdose.

### Identifying an Opioid Overdose and Administering Narcan

Signs of an overdose:

1. A person is passed out and you cannot wake them up.
2. Breathing very slow, making gurgling sounds, or not breathing at all.
3. Lips are blue or grayish.

Check for a response:

1. Shake them and shout to wake them up.
2. If no response, grind your knuckles into their chest bone for 5-10 seconds.
3. If the person still does not respond, call 911 and inform them that you believe someone has overdosed.

How to administer Narcan nasal spray:

1. Take the Narcan nasal spray out of the box.
2. Peel back the tab with the circle to open the Narcan nasal spray. (**Important: do not remove Narcan until ready to use and do NOT test the device.**)
3. Hold the Narcan nasal spray with your thumb on the bottom of the plunger and your first and middle fingers on either side of the nozzle.
4. Tilt the person's head back and provide support under the neck with your hand.
5. Gently insert the tip of the nozzle into one nostril, until your fingers on either side of the nozzle are against the bottom of the person's nose.
6. Press the plunger firmly to give the dose of Narcan nasal spray. Remove the Narcan nasal spray from the nostril after giving the dose.
7. Wait and watch the person closely.
8. If the person does not respond within 2 minutes, repeat the steps and give the person a second dose of Narcan (new Narcan nasal spray).
9. Call 911 right away, if you have not done so already
10. Roll the person on their side and place them in a recovery position (Use their

Resident Initials \_\_\_\_\_

hands to support their own head and pull their top knee out to stop the body from rolling onto their stomach).

If you know how to administer CPR, please do so at this point

### **Overdose / Unresponsive Person**

Be aware that Narcan will only help in opioid overdose situations. If a person is showing signs of being unresponsive, please immediately call 911. Follow all instructions from the 911 operator until help can arrive. If the person is not breathing, please initiate CPR. Please inform a Coral Sober Living staff member as soon as possible in the event of an overdose or unresponsive person.

### **Fire**

Each Coral Sober Living residence is equipped with smoke detectors and fire extinguishers. Do not tamper with Coral Sober Living smoke detectors or fire extinguishers, failure to adhere to this rule can result in dismissal from Coral Sober Living. Be aware of where all exits are located inside Coral Sober Living properties.

1. Call fire rescue 911 immediately and report the location of the emergency.
2. All residents should exit the location in a calm fashion and notify all staff.
3. Relocate to the designated safe area (Parking area across the street from the location).
4. Let a Coral Sober Living staff member know you are safe and stay in the designated meeting area.
5. If the fire is small and can be extinguished, use one of the fire extinguishers in the area which are in working order and checked annually. Point, Aim, Squeeze, and Spray.

### **Bomb Threat or Hostile Situation**

1. Call 911 to report the situation. Contact the CRRA immediately after contacting 911.
2. All residents and staff must evacuate the location.
3. Let a Coral Sober Living staff member know you are safe and stay in the designated meeting area.
4. Both staff and residents will follow the directions of the emergency Fire Rescue when they arrive on scene.

### **Suicidal Resident**

1. Coral Sober Living takes all suicidal remarks seriously. Please notify a CRRA if a resident or staff member makes a suicidal remark.
2. Please contact 911. If you feel that you, a resident, or a staff member is a harm to yourself, themselves, or anyone else please immediately contact your CRRA.
3. Do not leave the person alone at all. Please stay with them until a Coral Sober Living staff member can arrive.

Resident Initials \_\_\_\_\_

## **Natural Disasters:**

### **Power Failures**

1. Stay calm and move the residents to areas with adequate lighting if possible.
2. If the area does not have adequate lighting, or has only insufficient lighting, flashlights are available at the residence.
3. Await further instructions.
4. Follow the direction of the CRRA if the generators are needed to help restore power for essentials (refrigerators, freezers)

### **Natural Gas Leak**

1. Immediately evacuate the building.
2. Call 911 Emergency and inform them of the issue.
3. Proceed to the identified area of either the parking lot or across the street area.
4. Contact the CRRA.
5. Allow no smoking in the area.
6. Do not return to the building until approval has been given by the 911 Fire Emergency Rescue Department and/or the Gas Company.

### **Hurricane and Extreme Weather Disaster Plan:**

Disasters can include hurricanes, fires, tornadoes, severe storms, epidemics, nuclear accidents, acts of bio-terrorism, civil disturbances, and major power outages.

This plan will focus primarily on preparedness for hurricanes and severe weather conditions. It will serve as a foundation for addressing other types of disasters and will be adjusted as necessary. The hurricane season spans from June 1 to November 30, during which we will closely monitor weather conditions for any signs of tropical storms or hurricanes that may threaten our area.

### **STORM WATCH ACTIVITIES:**

Storm watch activities begin when media notifications indicate that a storm may be heading in our general direction. This is the alert period when residents typically start preparations and gather supplies. Coral Sober Living has already implemented pre-watch preparations, watch activities will be the main focus.

Hurricane Watch: A Hurricane Watch means conditions are favorable for a hurricane to potentially affect the area where Coral Sober Living is located. During This time, the administration will notify all residents to take necessary precautions to secure the facilities and ensure their safety.

Resident Initials \_\_\_\_\_

Hurricane Warning: A Hurricane Warning indicates that a hurricane is expected to have an impact. Hurricanes can be deadly and devastating, with winds reaching up to 200 miles per hour. If a Hurricane Warning is issued for the Coral Sober Living area, designated staff will activate the Natural Disasters procedure. They will ensure that all doors and windows are secured and will then evacuate the premises.

### **DISASTER PLAN OF ACTIVITIES:**

The following plan outlines the activities to engage in before, during, and after a disaster.

#### **Pre Watch:**

1. Monitor storms activities through media coverage
2. Gather supplies: food, water, safety and emergency medical items. Store these separately from the main supply to avoid use. Check shelf dates throughout and replace any outdated items.
3. Inform residents of the significance of monitoring the path and development of tropical storms, giving us sufficient time to prepare adequately, review, and/or revise plans, and allow time to notify all concerned individuals.
4. Review evacuation plans and relocation sites. Take note if the facility is located in an evacuation zone. In the event of a hurricane or severe weather conditions, affected residents and staff will need to evacuate.

### **PLANNING FOR RESIDENTS NEEDS:**

Residents will be informed and included in preparations as soon as a storm or emergency is predicted. This process will be tailored to each house. Staff will assess each resident to identify any special needs that require advance planning, focusing on those individuals who may be most at risk in an emergency. This assessment will include, but not be limited to, medical, emotional, behavioral, and physical needs. It will also consider how changes in location, schedules, routines, lack of air conditioning, meal adjustments, and absence of work programs may impact residents.

At this time, staff will determine which residents may need to evacuate to a location different from the designated site for all residents. Factors such as availability, appropriateness, preparedness, administrative considerations, and, most importantly, the preferences of residents and their families will guide whether a resident will go to a family member's, guardian's, or friend's home instead of the designated evacuation site.

Resident Initials \_\_\_\_\_

Residents who choose to shelter elsewhere must provide contact information for their shelter location. They will also be required to maintain daily contact with Coral Sober Living via phone or text. Upon returning to Coral Sober Living, residents must submit to a urine analysis (UA) and breathalyzer (BA).

### **WARNING STAGE ACTIVITIES:**

Once a hurricane warning is announced, we can expect the hurricane to make landfall within forty-eight (48) hours. The media will begin providing phone numbers to call for emergency shelter and other information.

During the Hurricane Warning Phase:

1. Prepare the physical residence.
2. Execute the administrative preparatory plan.
3. Implement the evacuation plan. Recommended items to take to a shelter include work gloves, leisure items, books, magazines, games, arts and crafts supplies, sports equipment, handheld video games, tapes, a radio, and extra batteries.

### **Shelter in Place / In the Event of a Power Outage:**

If a shelter-in-place order is issued during the hurricane, all residents must remain inside their homes until the storm has passed and local authorities declare it safe to go outside. Coral Sober Living will provide water, non-perishable food (for 2 days), adequate medical supplies, a first aid kit, batteries, candles, and a charcoal or gas grill.

Residents are responsible for making arrangements to ensure they have an adequate supply of their medications, personal hygiene items, and any additional food or snacks.

### **Temporary Shelter:**

Coral Sober Living is committed to providing temporary shelter, if necessary, for residents and staff during severe emergencies (e.g., severe storms, floods, flash floods, tornadoes, earthquakes, hurricanes) that threaten the integrity of Coral Sober Living. The Chief Recovery Residence Administrator (CRRRA) will establish the temporary shelter for residents and staff once a severe emergency is identified by TV, radio, and/or the State of Florida. Additionally, the American Red Cross will identify temporary shelters within the community, typically within 2-4 hours before a

Resident Initials \_\_\_\_\_

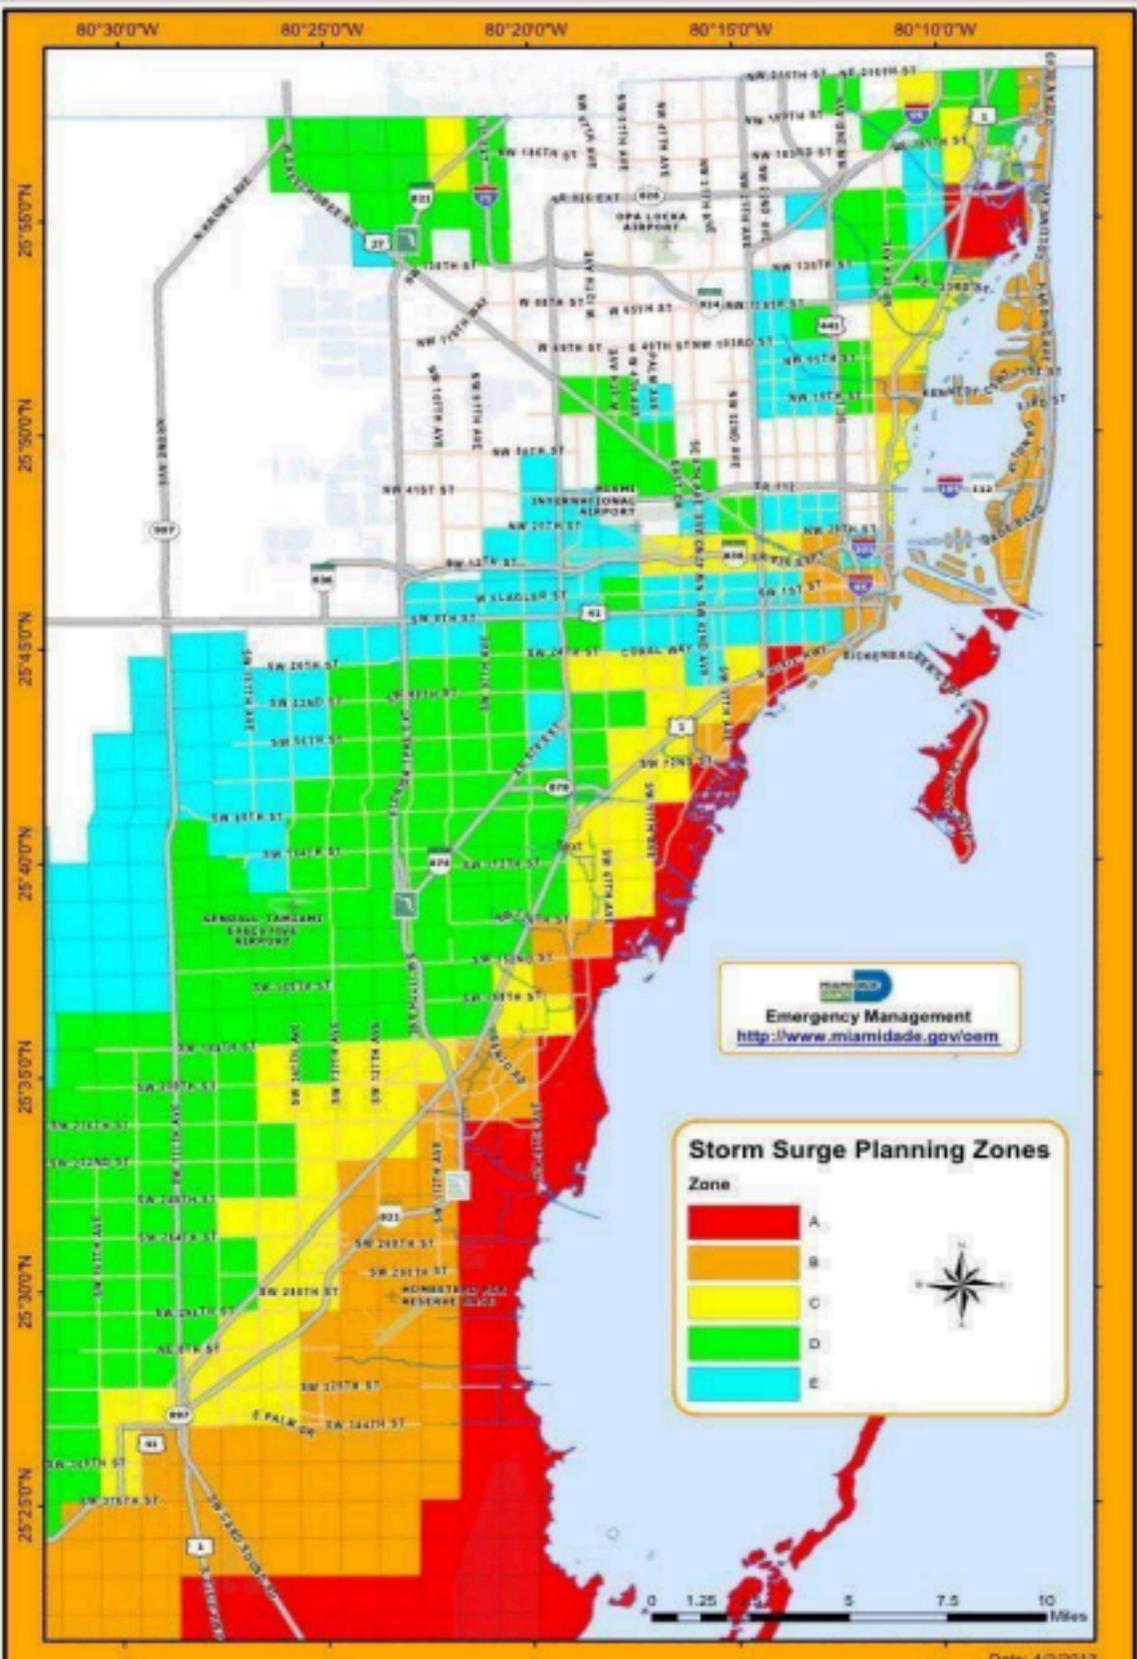

disaster or 2-4 days before a required evacuation due to a hurricane.

In an emergency that requires residents and staff to evacuate Coral Sober Living facilities to a temporary shelter, designated staff will execute standard emergency procedures and then evacuate to the temporary location.

**Possible Evacuation Sites:**

- A receiving substance abuse treatment center
- John I. Leonard High School
- TBD

### **During the emergency:**

Once staff and residents arrive at the evacuation site, staff responsibilities will include helping residents settle in and feel comfortable, unloading and organizing supplies. Designate areas for the safekeeping and dispensation of medications, inter-staff communications, food and water supplies, household items, and laundry disposables. Engage residents in as many activities as possible. The staff in charge will ensure that everyone remains indoors and away from the windows.

### **After the emergency:**

Stay tuned to radio and TV stations until the official “all clear” is announced. Before going outside, ensure you have sturdy shoes to help avoid cuts from debris and falls. Stay away from downed power lines and do not use tap water; assume that a “Boil Water Order” is in effect until you are informed otherwise. Drive only when necessary. Keep residents at the evacuation site until it is determined that the facility or residences are safe to return to. Follow the designated emergency plan for the 48 hours following the event. Please maintain contact with your supervisors if phones are operational. After the event, residents should be allowed to make safe calls to their family members.

### **Infectious Disease Control Policy and Procedure**

**Policy:** Coral Sober Living will make every effort to practice good universal healthcare precaution standards to prevent the spread of infectious diseases. Be aware that at any given time, there may be residents at the facility diagnosed with communicable diseases. Residents with communicable diseases will be housed with others, and their diagnoses will remain confidential. Please take precautions to mitigate the risk of spreading communicable diseases within the residence and speak to staff if you have any questions regarding communicable diseases.

**Procedure:** Residents with communicable diseases or those who suspect they may be infected are required to disclose these issues to Coral Sober Living upon admission into the program. Staff are required to keep this information confidential. Coral Sober Living will instruct all residents to practice good habits to prevent the spread of disease while living at the facility and assume they may be living with someone who has a communicable disease.

Good Standards are defined as:

1. Hand Hygiene.
  - a. Wash hands with soap and water often especially after touching any items

Resident Initials \_\_\_\_\_

that are likely to be contaminated by blood, saliva, or respiratory secretions.

## 2. Respiratory Hygiene / Cough Etiquette

- a. Cover mouth with crook of inner elbow when sneezing or coughing if tissues are unavailable.
- b. Wash hands after sneezing or coughing if they have been in contact with respiratory secretions.
- c. If you believe you have been in contact with someone who is sick, wear a mask until you can verify you are not sick.
- d. If you are sick, please inform staff so health safety precautions can be taken for residents and staff.

## 3. Sharps Safety

- a. Residents are to only dispose of syringes in safe containers.
- b. Syringes must be kept in safe locations away from other residents
- c. Residents are recommended to use syringes in a safe location out of the sight of other residents.

## 4. Blood and Bodily Fluids Safety

- a. First aid is required if a resident is cut or bleeding. Proper bandages with antiseptics should be used to prevent infection and contamination.
- b. Notify staff immediately if blood or bodily fluids have contaminated the property.
- c. Any blood or bodily fluid that has contaminated the home should be cleaned up by the resident if possible. Proper sanitizing products must be used to ensure disinfection.

## 5. Bathroom, Shower, and House Etiquette

- a. Immediately clean up any blood and bodily fluids with proper disinfectant materials. This includes urine, feces, blood, sperm, hair, mucus, etc.
- b. Razors, scissors, buzzers, or any other barber equipment is not to be shared amongst residents.
- c. Sex toys are not permitted on property and under no circumstances should they be shared amongst residents.

Residents who need to use syringes for medical reasons must dispose of them in sharp containers located in the manager's office. Additionally, residents should keep a supply of syringes in the manager's office, where they will be provided with a one-day supply. As part of Coral Sober Living protocol, residents must turn in a used syringe in order to receive a new one. If a used syringe is not turned in, the resident will need to fill out a report explaining what happened to the syringe and confirm that it was properly disposed of.

### **Resident Requirements**

- To treat each fellow resident and staff member with dignity and respect.
- To remain abstinent from use of alcohol and/or drugs, including narcotic medications prescribed by a licensed physician.
- To be trained on how to properly administer Narcan in the event of an overdose. Training will include how to administer Narcan and how to identify the signs of an opiate overdose.
- To promptly report any residents' use of alcohol and/or non-permissible drugs to staff in order to ensure the continued safety and wellness of all residents within the community. You will remain anonymous.
- To encourage fellow residents' active engagement in their own personal recovery plan; respecting boundaries, while providing honest, peer supportive perspectives and suggestions based on experience.
- To welcome new residents, assist in their orientation to the community culture and encourage new residents to participate in residence activities. To make reasonable efforts to include new residents in attendance of mutual aid meetings, community chores, communal food shopping, meal preparation and dining as well as inclusion in social and/or sporting activities.
- To voluntarily abide by the "**House Rules**" at all times for the safety and well-being of the resident community.
- To hold peers accountable to adhere to house rules for the safety and wellness of the community and to openly raise concerns regarding a resident's continued failure to adhere to house rules at a scheduled house meeting where the entire community might be made aware while having an opportunity to provide constructive input to their peers.

Resident Initials \_\_\_\_\_

- To be mindful for the rights of neighboring families; refraining from the use of lewd or vulgar language, elevated noise levels, over-crowded parking, loitering, littering or other actions that might be considered as impinging on the safety and well-being of neighborhood persons, family members and property.
- To maintain personal space and all common areas in a clean, orderly fashion and to voluntarily contribute to the maintenance of both the interior and exterior of the residence.
- To be mindful of physical and mental needs and to take necessary action(s) to address those needs. If so requires external support, it is the resident's responsibility to make their need for assistance known to peers and/or staff with advance notice to provide them an opportunity to support the resident.
- To pay program fees and any other fees as agreed and maintain a record of such payments; including retention of each receipt provided by owner, manager or staff at the time of their payment.
- To take any prescription medications as prescribed and to not discontinue any medications without speaking to the prescribing doctor.

### **Grievance Policy and Procedure**

If a resident feels that their rights have been violated or if they feel they have been unjustly accused of violating any rule, then they must use the following grievance procedure. It is important that the resident follows these steps. This procedure has been established to ensure that you are treated fairly. Situations in which you have clearly violated rules or situations that are beyond the direct control of staff do not constitute grounds of grievance. Coral Sober Living will post grievance policy in a conspicuous location in the residence. Coral Sober Living will include a FARR grievance redirect link on the provider website.

The processing procedures for grievances and complaints are as follows:

- a. The resident is encouraged to discuss any problems with their resident manager. The resident and resident manager will try to find a resolution. The resident manager will correspond with the CRRA on the grievance and/or complaint and any resolution.
- b. All grievances shall first be filed with the resident manager by completing a grievance form. Grievance forms are located at the residence. The resident manager will conduct an internal investigation and render an initial determination and resolution within 2 days of receipt of the complaint in writing.

Resident Initials \_\_\_\_\_

- c. If the complainant is not satisfied or if the complaint is not resolved with the results achieved in Step 2, the complainant may file an appeal and/or the grievance shall be forwarded to the CRRA and this meeting shall be held within five days of the date it is requested. The decision of the CRRA is final
- d. The resident shall be presented a resolution and response to their grievance in writing.
- e. In the event that the Client does not feel a resolution has been reached they may contact FARR.
- f. Residents will face no retribution for filing a grievance against a provider.

If the grievance is against a manager, a grievance may be submitted in writing straight to the CRRA. The CRRA will speak with you within two business days after receiving the grievance. Within two business days after that, the CRRA will respond to you in writing.

If you do not feel that your concern will be or was not addressed through this grievance form, we encourage you to visit [www.farronline.info/grievance](http://www.farronline.info/grievance) or by phone at (561) 299-0405 and file a grievance with our accrediting body. The safety and health of the community is our primary focus, so that every individual has the opportunity to achieve long term recovery.

1. Program Fees. Residents agree to pay, without demand, to Coral Sober Living Living their portion of the program fees for the apartment, unit, or single-family home as

Resident Initials \_\_\_\_\_

outlined in the program fee payment chart. Payments are due before the first day of the initial week, which runs from Friday to Thursday. After the initial term of this agreement, it will continue on a week-to-week basis, ending on the following Thursday. Either party may terminate the agreement with one week’s written notice after the initial term. Coral Sober Living reserves the right to terminate the agreement at any time for a resident’s violation of house rules as defined in the Coral Sober Living Policy & Procedures Manual. Payments should be made to Coral Sober Living Living or their designated representatives, who will provide receipts upon request at the time of payment. Late payments will be a \$20.00 late fee. Any payment not received by 5 PM on Friday is considered late.

Due Date	Amount Due
First Week	\$225.00
Second Week	\$225.00
Third Week	\$225.00
Fourth Week	\$225.00

**COMMENCEMENT DATE:** This agreement will begin on the date specified in the first section of this document.

**INITIAL TERM:** Week to week (the initial “term”).

**ADMINISTRATION FEE:** Coral Sober Living requires a non-refundable Administration Fee of \$50.00 from the Resident, payable before move-in, as an additional program fee.

**ADDITIONAL FEES:** The cost of drug testing is included in the weekly program fee, except when the resident chooses and is approved for a pass. In such cases, the resident must pay \$20 for the urine analysis test upon returning to the Coral Sober Living property. A \$20.00 late fee will apply to all overdue rent payments.

**PREMISES:**

Resident Initials \_\_\_\_\_

**USE OF PREMISES:** The premises shall be used and occupied by the Resident solely as a sober cohabitation residence. No part of the premises may be used for any business or trade during the term of this agreement. The Resident shall comply with all sanitary laws, ordinances, rules, and orders from relevant governmental authorities regarding cleanliness, occupancy, and maintenance of the premises, as well as all rules set forth by the Apartment/Condominium Board and Coral Sober Living during the term of this agreement.

**NUMBER OF OCCUPANTS:** The premises shall be occupied by no more than three adult persons per bedroom. No additional individuals may occupy the premises, nor may the Resident allow any relatives, friends, or acquaintances to stay at any time. Occupancy is restricted to those individuals who have a written agreement with Coral Sober Living.

**CONDITION OF PREMISES:** The Resident acknowledges that they have inspected the premises and improvements, and that, at the time of this agreement, they are in satisfactory, safe, clean, and tenantable condition.

**ASSIGNMENT AND SUBLETTING:** The Resident shall not assign this agreement, sublet the premises, or grant any license for its use without the prior written consent of Coral Sober Living. Any unauthorized assignment or subletting shall be void and may result in the termination of this agreement at the discretion of Coral Sober Living. Upon written demand from Coral Sober Living, the Resident shall immediately vacate the premises.

**DAMAGE TO PREMISES:** If the premises are partially damaged by fire or other events not caused by the Resident's negligence or willful misconduct, Coral Sober Living will promptly repair the premises, with a corresponding reduction in program fees for the duration that the premises are uninhabitable. Coral Sober Living./Coral Sober Living may choose not to repair; in this case, this agreement will terminate, and program fees will be prorated up to the date of the damage.

**UTILITIES:** Coral Sober Living shall be responsible for arranging and paying for all utility services required on the premises, including water, internet, electricity, and garbage service.

**FURNISHINGS:** The apartment/unit/single-family home is rented as a furnished

Resident Initials \_\_\_\_\_

residence containing household furniture, beds, kitchen utensils, a television, a microwave, linens, and other household items, all of which are part of this agreement. The Resident agrees to return all items to Coral Sober Living at the end of this agreement in the same condition as received, except for reasonable wear and tear. By signing this agreement, the Resident confirms that all listed items are in good and usable condition.

**MAINTENANCE AND REPAIR:** The Resident shall promptly make any and all repairs to the premises, including plumbing, fixtures, wiring, etc., when the damage is caused by the Resident's fault or negligence.

**ANIMALS:** The Resident shall not keep domestic pets or other animals on or around the premises without the prior written consent of Coral Sober Living.

**INSPECTION OF PREMISES:** Coral Sober Living and their agents shall have the right to enter the premises at any time during the term of this agreement and any renewals for the purpose of inspecting the property.

**SURRENDER OF PREMISES:** Upon expiration of this agreement, the Resident shall surrender the premises in the same condition as received, except for reasonable wear and tear.

**DEFAULT:** If the Resident fails to comply with any material provisions of this agreement or any applicable rules and regulations prescribed by Coral Sober Living, a copy of which is attached hereto, Coral Sober Living may terminate the agreement, and the Resident must vacate the premises immediately. If the Resident fails to pay program fees when due, and the default continues for three (3) days after a payment demand from Coral Sober Living, the agreement may be terminated, and the Resident must immediately vacate the premises.

Additionally, the Resident agrees to maintain individual sobriety and must vacate the premises immediately upon written notice of non-compliance with any of the following violations of Coral Sober Living House Rules:

- Any use of alcohol, drugs, or mood-altering substances. Use or possession thereof will result in immediate termination of this agreement, except for medications prescribed by a physician (prior notification to Coral Sober Living and approval is required).

Resident Initials \_\_\_\_\_

- Physical confrontation, acting out/yelling, or verbal or physical threats.
- Violation of rules outlined in the Resident Orientation Handbook.

**INDEMNIFICATION:** The Resident agrees to indemnify and hold Coral Sober Living, its members, agents, assigns, and all owners of the rented premises harmless from any and all claims arising from any act, omission, or negligence by the Resident, their licensees, agents, servants, guests, invitees, or independent contractors, or arising from any accident or injury occurring in or around the premises. This indemnity includes all costs and reasonable attorney fees incurred in connection with such claims. This provision shall survive the termination of this agreement. The Resident understands and agrees that Coral Sober Living and its officers, principals, agents, and employees will not be personally liable for any breach or default under this agreement. In the event of a breach by Coral Sober Living Living, the Resident's remedies shall be limited to the equity Coral Sober Living Living holds in the premises.

**ABANDONMENT:** If the Resident abandons the premises during the term of this agreement, Coral Sober Living may take possession of the premises as provided by law, without being liable to the Resident for any damages. Coral Sober Living may release the premises at their discretion, as an agent for the Resident, and may receive program fees from such release. Coral Sober Living Living retains the option to hold the Resident liable for any difference between the program fees due under this agreement and the net fees obtained from releasing the premises. Any personal items left behind after the Resident abandons the premises will be held for ten (10) days by Coral Sober Living, after which they may be donated to a charity of Coral Sober Living's choice.

**BINDING EFFECT:** The covenants and conditions contained herein shall bind the heirs, legal representatives, and assigns of the parties, and all provisions shall be construed as conditions of this agreement.

IN WITNESS WHEREOF, the respective parties have signed, sealed, and delivered this agreement on the date and year written below.

### **Financial Obligation Policy and Procedure**

Policy: All incoming residents will be screened to ensure they can financially afford the program fees at Coral Sober Living. Residents will receive written information about all potential costs prior to acceptance. A financial obligation agreement must be acknowledged in the resident orientation handbook. Program fees may change; Coral Sober Living will notify residents thirty days in advance of any changes to the regular program fees. Residents have the right to request clear financial statements within a reasonable timeframe.

Coral Sober Living will maintain an accounting system that records all financial transactions involving residents, including charges, payments, deposits, payment methods, fees, and any payments made by third parties. Residents are entitled to receive a copy of their financial statements from Coral Sober Living within a reasonable timeframe.

If a resident falls behind on program fees, their residency will be reviewed by the CRRA.

Procedure:

#### Accounting System

Coral Sober Living accepts multiple forms of payment and issues a paper receipt to each resident. The receipt will include the resident's name, the staff member's name who collected the payment, the amount paid, the remaining balance, the date of payment, the method of payment, and third-party payment information if applicable.

This information is tracked on an Excel sheet and updated weekly. Residents will be informed weekly of their balance on the due date for program fees. In case of discrepancies, residents can review their payments with the CRRA and discuss the issue.

If a resident falls behind on rent, the following steps will be taken:

Resident Initials \_\_\_\_\_

The resident will meet with the CRRA to answer questions about their program fee obligations.

The CRRA and the resident will establish a financial hardship agreement to address the outstanding balance.

If a payment plan cannot be created, the resident's emergency contact will be informed about the potential for discharge from Coral Sober Living if the program fee obligations are not met within the specified timeframe. A summary of this conversation will be documented in the resident's file with the resident's signature.

If a financial hardship agreement is established, the resident must sign it, confirming their understanding that failure to meet the plan's expectations may lead to discharge from Coral Sober Living. This agreement will be kept in the resident's file.

If the resident and CRRA cannot reach a mutually agreeable solution regarding the program fee obligations, residents will be informed of the timeframe they have to become financially compliant with Coral Sober Living; otherwise, they will be dismissed from residency. All possible avenues for collecting program fee payments will be explored before dismissing the resident. Residents will receive community resources prior to discharge.

#### Administration / Deposit Fee

Coral Sober Living charges a one-time, non-refundable administrative fee that must be paid by the resident before acceptance into the residence. If financial hardship exists, this fee may be paid over time. The fee due at the start of residency is subject to change at the discretion of Coral Sober Living.

Regarding deposits (referred to by various names from different providers), if a deposit is refundable, details on the refund process will also be provided.

Basic good practice requirements would be:

1. Reasonable length of stay recommendation being met.
2. Property left in good condition. Recommend walking through living space with resident prior to resident moving in and listing any damages or defects to the property.
3. Will deposit only be paid back in case of a successful discharge determined by facilities policies and procedures (will they be paid deposit back if they meet all other requirements but discharge due to relapse)
4. Who is the deposit paid back to? (If deposit was paid by someone other than the resident)

Resident Initials \_\_\_\_\_

5. In what form the deposit will be paid back? (Cash, check, etc.)
6. How long after resident moves out, can the resident expect the funds)

**Program Fee Schedule:**

A Program Fee between \$195.00 & \$225.00 is due every Friday for the upcoming week. Advance payments can be made for program fee and/or other charges directly to the administration. Failure to pay can result in loss of privileges or expulsion from the residence. Late program fee payments will result in a \$20.00 Dollar Amount fee. Program fees are fixed and are subject to change at Coral Sober Living Living discretion. The daily/weekly/monthly/etc rate is as follows:

Due Date	Amount Due
Admin Fee / Deposit / Etc.	\$225.00
daily rate	\$32.00
weekly rate	\$225.00
monthly rate	\$900.00

If a resident falls behind \$450.00 in program fees then the resident's residency will be put up for review by the CRRA to determine if Coral Sober Living can continue to provide housing for that resident.

**Resident Signature:** \_\_\_\_\_

**Date:** \_\_\_\_\_

**Financial Hardship/ Scholarship Policy**

**Policy:** Coral Sober Living will look at each potential scholarship client on a

Resident Initials \_\_\_\_\_

case-by-case basis. All scholarship clients will receive the same support from Coral Sober Living that non-scholarship clients receive. If a resident is chosen and determined to be a right fit for the residence, then they will be responsible to find a job within the first two weeks. Upon the resident receiving their first paycheck the resident must pay the program fees plus start paying towards any back program fees owed. If a resident falls behind \$430.00 in program fees, then the client's residency will be put up for review by the CRRA to determine if Coral Sober Living can continue to provide housing for that resident. Coral Sober Living will exhaust all options for obtaining owed program fees from a resident before dismissing that resident from our housing.
